MWG has called on Suppliers to join in implementing its Sustainable Development commitment. The company looks forward to cooperating and encouraging partners to improve standards of Sustainable Development, ensuring compliance with laws and issues related to environmental protection. The above action aims to realize MWG's Sustainable Development commitment.

MWG's Commitments to Sustainability

“Encourage and accompany suppliers and partners to develop, commit to and implement sustainable business development policies.”

The “Gay Quy No Hong” Campaign

The An Khang Pharmacy together with Laurier & MegRhythm launched the "Gay quy no hong" Campaign to help people raise awareness about breast cancer and add motivation and strength to the entire community.
